

30 April - 4 May • 2023

Advancing science in support of sustainable bio-innovation

Delegates from 44 countries have already registered!

Date: 30 April - 4 May 2023

Location: St Louis, Missouri, USA

Don't miss this unique and timely opportunity to re-connect with your professional network after the isolation of the last few years!

Keynote Speakers

Dr. Joe Cornelius
(CEO, Gates Ag One)

Prof. Jeantine Lunshof
(Harvard Wyss Institute)

Prof. Joseph Jez
(Washington University)

Dr. Sheila Ochugboju
(Alliance for Science)

Dr. Andrew Newhouse
(State University of New York)

The symposium will comprise

19 plenary sessions, with **16**
parallel sessions consisting of **76**
speakers and more than **100**
presentations.

Poster sessions and selected Pecha Kucha presentations will also form an integrated part of the program.

Register Now and Book Your Travel Soon

Be part of this major, in-person symposium on biosafety and sustainable bio-innovation. Showcase your work and engage with the thought leaders in the field. International travel is now open but be aware that there are **currently very long processing times for USA visa applications** from some countries.: Therefore, we encourage you to ensure your passports are valid, get your visa issued, book your flights, [register](#) and [book your accommodation](#) at the special discounted rates for ISBR delegates ASAP.

Early bird registration closes on 11 March, so act now to secure your place at ISBR2023 to avoid disappointment!

[REGISTER NOW!](#)

Deadlines - Important dates to diarise

	Opening Date	Closing Date
Abstract submission	closed	
Early Bird Registration	1 July 2022	11 March 2023
Regular Registration	12 March 2023	29 April 2023
Onsite Registration	30 April 2023	4 May 2023
ISBR Photo Contest	29 June 2022	10 March 2023

Symposium Dinner

Tickets for the Symposium Dinner are selling quickly, so act now to secure yours!

Join your colleagues for a wonderful evening of memories, music and great quality food at the Union Station Hotel on the evening of Wednesday, 3 May 2023. The tickets are \$100 per person and will include a 3-course menu, limited drinks and local entertainment on the evening.

Don't delay! Reserve your ticket now by logging back into your online profile to indicate your participation and pay.

See you there!

Program Final Draft

The Symposium Program is complete! Have a quick scroll and check out the sessions and topics:

ISBR2023 Program: Day 0 - Sunday 30 April

17:00-20:30 **Registration & Welcome Reception**

ISBR2023 Program: Day 1 - Monday 1 May

MORNING

Welcome address: Joe Smith, ISBR President

Opening address: Joe Jez, Washington University in St Louis:
Plant Biotechnology - New Tools, Old Problems, What's Next?

Plenary session I: Ensuring social license for bio-innovation

Keynote 1: Jeantine Lunshof: *Social License - What's in a name*

AFTERNOON Block 1

Parallel session 1: Fit-for-purpose regulatory frameworks – a modernized approach to GM crop regulation

Parallel session 2: New developments in policy and governance of gene drives: implications for research and applications for environmental sustainability and human health

Parallel session 3: Gaining social licence for bio-innovation

Parallel session 4: Plant Breeding: Today and Tomorrow

AFTERNOON Block 2

Parallel session 5: New breeding technologies: Prospects and regulatory hurdles

Parallel session 6: Potential and challenges of using bio-innovation technologies in a sustainable economy

Parallel session 7: Ensuring the sustainability of bio-innovation

Parallel session 8: Crop Composition as a Component of Food and Feed Safety Assessment and Hands on with the New AFSI Crop Composition Database – an interactive workshop

AFTERNOON Block 3

Pecha Kucha

EVENING

Poster Session

ISBR2023 Program: Day 2 - Tuesday 2 May

MORNING

Plenary session II: Risk analysis for persistent engineered genetic traits

Keynote 2: Andrew Newhouse & Bill Powell: *Genetically Rescued Organism (GRO): The tale of the American chestnut tree*

AFTERNOON Block 1

Workshop 1: Genome Editing: Global Policy experience and what the future may hold

Workshop 2: Harmonization of global data requirements: a modernized approach to GM Crop Risk Assessment

Workshop 3: Support tools for meeting the risk analysis challenges of persistent engineered genetic traits

Workshop 4: Safety Assessment of Potato with 3 R Genes for Late Blight Resistance: A Global Perspective

AFTERNOON Block 2

Poster session 2

EVENING

ISBR Members' Meeting

ISBR2022 Program: Day 3 - Wednesday 3 May

MORNING

Plenary session III: Fit-for-purpose governance frameworks for sustainable bio-innovation

Keynote 3: Sheila Ochugboju; *Alliance for Science:*

AFTERNOON Block 1

Parallel session 9: Problem formulation: a step to engage stakeholders in risk assessment for gene drives

Parallel session 10: Discovery science in support of risk analysis

Parallel session 11: Introduction & Data Transportability for Confined Field Testing for ERA of GM plants

Parallel session 12: Bio-innovation for a sustainable future

AFTERNOON Block 2

Parallel session 13: Advancements in risk characterization

Parallel session 14: Risk analysis & regulatory reviews

Parallel session 15: Social perceptions of new technologies and synergies with the development of public consultation frameworks

EVENING

Symposium Dinner

ISBR2023 Program: Day 4 - Thursday, 4 May

MORNING

Plenary session IV: Fit-for-purpose governance frameworks for sustainable bio-innovation

Keynote 4: Joe Cornelius, *Gates AgOne:*

Closing session Joerg Romeis, ISBR President

AFTERNOON

Optional tours to

Donald Danforth Plant Science Center

or

Bayer Crop Science

ISBR2023 Photo Competition “Genetics for a healthier planet”

Win a 100 \$US, 60 \$US or 40 \$US Amazon voucher!

Only few days left - submit your best images for the ISBR Photo Competition until 10 March 2023 !

You have images that reflect the beauty, scientific excellence and diversity of the work done in genetics to make our planet healthier? We invite all attendees of the ISBR2023 Symposium and all ISBR members to submit photographs for the contest. A selection of the photographs will be printed and displayed at the Symposium and may be used on the website or in ISBR promotional materials.

Upload your images to the 2023 ISBR Photo Competition group in [Flickr](#)

Sponsorship

A big thank you to our sponsors for their support. Without them, ISBR symposiums would not be possible.

Diamond sponsor:

- CropLife International
- CORTEVA agriscience

Platinum Sponsors:

- Agricultural Biotechnology Stewardship Technical Committee (ABSTC)
- Agriculture and Food Systems Institute
- Donald Danforth Plant Science Center

Gold Sponsors:

- Bayer
- Syngenta

Sponsorship opportunities for ISBR2023 are still available! Increase your organization's profile and with key participants in the agricultural biotechnology sector by taking up one of our [sponsorship packages](#).
